

## How to find your way to the Festsaal/Senatssaal in the Main Building of the University of Bonn

The Main Building of the University is located in the centre of Bonn, between the Main Station and the River Rhine.

Due to a construction area there is only one access from “Am Hof”/“Fürstenstraße” (the access from the Hofgarten (“Regina-Pacis-Weg”) is closed.)

This is how the access looks like:

When you have passed underneath the gateway, you come to an inner courtyard:

You pass this courtyard and enter the building at the opposite side (straight ahead):

When you have entered the building you take the stairs to the 1<sup>st</sup> floor

and then turn left:

At the end of this floor you find the Festsaal (conference) and the Senatssaal (catering).
